# Convalescent Home, Osborne, Isle of Wight,

For Officers of the Navy and Army, presented  
to the Nation by His late Majesty  
King Edward VII.

Telegraphic Address - - CONVALESCENT, OSBORNE.

Osborne is open for the reception of convalescent officers of the Navy and Army. Officers will be received at Osborne on the recommendation of the Director-General of the Medical Department of their respective Services, to whom all applications for admission should be addressed.

As regards the Navy, medical officers at home and abroad will submit the names of officers for whom they advise treatment at Osborne to the Medical Director-General of the Navy.

The accommodation at Osborne, which will be divided equally between the two Services, will provide for 84 officers.

The usual fees are remitted during the War.

The duration of the stay of officers at Osborne will be determined by the Medical Director-General of the Navy, who will be guided by the reports received from the Medical Officer at Osborne.

Retired officers of the Navy and Army are admitted into Osborne only under the following conditions:—

- a. If there is a vacant room at Osborne and there is no pressure for admission of officers on the Active List.
- b. That the disease or injury from which the officer is suffering is "directly attributable to the Service."
- c. That the officer has retired from the Service within five years from the date of the application for admission.
- d. That the Director-General of the Service concerned is the sole judge of the fitness of the case (medically) for admission.

Any officer may obtain information about the Convalescent Home for Officers of the Navy and Army at Osborne by writing direct to the House Governor and Medical Superintendent, Osborne, Isle of Wight.
